Rules and Regulations for House Competitions

Mandatory Participation:

- Participation in all monthly competitions is compulsory for all houses and selected students across categories.
- No house is allowed to skip any competition.

Prize Limitation:

- A student may participate in multiple competitions, but will be awarded a prize in only one competition per academic year to ensure fair opportunity for all.
- If a student wins more than once, the prize will go to the next eligible student.

Team Rules:

- For group events, each house may submit one team per group.
- Teamwork and equal participation by all members is a must.

Judgement Criteria:

- Relevance to theme and Originality & creativity
- Clarity and confidence
- Presentation & time management
- Team coordination (for group events)
- Judges' decisions will be final.

Discipline & Conduct:

- All participants must report 10 minutes early.
- Misconduct, plagiarism, or indiscipline will result in disqualification.

Parent Child Collaborative Activity

This integration may ensure that students engage in meaningful, skill-based, and value-oriented activities during the vacation period, thereby maintaining continuity in their holistic development. Schools should assign these activities to students in co-ordination with their parents/guardians encouraging them to participate actively and reflect on their experiences.

Suggestive Activities:-

Nursery & Kindergarten: Storytelling (with dice/pictures) alphabet/numeracy games (letter count/ letter hunt, counting songs) and self-expression activities (drawing/picture prompts/show or tell activities, lesson on eating habits/ good touch-bad touch etc.

Grades 1 & 2: Decision-making exercises such as "when to say yes, no, or let's try". Awareness session on nutrition, activity on peer appreciation, word-building/simple puzzle solving, and expressing gratitude etc.

Grades 3-5: Group interaction, storytelling, gardening or art activities/picture perception activity, book/journal/newspaper reading etc.

Grades 6-8: Awareness talk/interaction on do's and don'ts for cyber safety, peer feedback learning activity, self-improvement reflection exercises and goal setting, picture/surroundings appreciation activity, clean up drive/plantation activity/slogan writing etc.

Grades 9 & 10: Career awareness booth creation, guest speaker session to promote career awareness, life skills role-plays (conflict resolution activity/team work/situation reaction drills/decision making drills), interest/aptitude test to gauge career interest, discussion on digital addiction/ tech trends, alumni panel discussion for students etc.

Grades 11 & 12: Panel discussion on career trends, mock interviews, meet & greet sessions with alumni, peer-led activities on coping strategies, role playing on handling peer pressure or setbacks.
